Porta-Flex 200 & 400

Our Porta-Flex Filtration Units are user-friendly, portable welding fume extractors. The 200 is ideal for occasional/light usage and the 400 for professional use in confined spaces or difficult to reach locations, making it ideal for service and repair work.

The internal filter has superb filtration (optional HEPA filter available) and is easy to replace when required. Weighing in at only 15kg it's easy to carry and utilises the handle as storage for the cable and 2.5m hose.

The Fumex Porta-Flex is supplied complete with cartridge filter, 2.5m hose and 80mm flexible magnetic nozzle.

Available in 110V & 240V
